W&M PHYSICAL THEATRE

30 for 30 Fundraising Campaign

In honor of our 30th Anniversary, we are also launching our '30 for 30' fundraising campaign. As part of this initiative, we invite you to contribute in denominations of \$30 (or multiples thereof), a symbolic gesture reflecting each year of our creative journey. Your donation will help ensure that W&M Physical Theatre can continue to push the boundaries of contemporary dance and support the next generation of artists.

Funds raised will support:

- The artistic development of new works, including performances and outreach initiatives.
- Educational programs that provide opportunities for young artists, including internships and mentorships.
- Community engagement initiatives that foster collaboration and innovation within the local and international dance communities.

Every contribution, no matter the size, has a lasting impact on the growth and future of the company. Donations can be made at the reception or in advance through our donation link.

An official tax receipt for income tax purposes will be issued for your donation. W&M Dance Projects is a non-profit, charitable organization registered in the province of Alberta
